

## PROFILE SUMMARY

---

Motivated and detail-oriented final-year high school student, currently completing the Diploma de Baccalaureate. Enthusiastic about pursuing studies in Applied Sciences, with a strong interest in the practical use of technology and programming. Gained foundational experience in HTML, CSS, and JavaScript through dedicated courses, and developed valuable soft skills through part-time jobs and volunteer work. Eager to become an active and committed student within a university environment that encourages hands-on learning, innovation, and collaboration.
